

DLC Nurse & Learn, Inc.
October 2009 News
www.dlcnl.org

It's finally here! Our new web site. New Age Solution created and donated a new, professional web site for us. It is our same address www.dlcnl.org. So look it up and check out all the cute kids and great information. It is a work in progress and new items are still being added.

To save money we will be cutting back on our newsletter mail out. Our monthly newsletter will be on the web site each month and we will be doing a quarterly mail-out and for special events news.

Special Events

October brings many exiting events to DLC. First our Open House is set for Thursday, Oct. 8th from 5:30-7:00pm. The teachers, therapists, and board members will be available for you to meet and talk with. This is the perfect time to find out about your child's class and their development. Also, it is a great time to bring visitors to learn about DLC and our ministry. So come out and join the fun and invite your family and friends. Hang out for refreshments after your classroom visit to enjoy the company of other parents.

Also, Friday, Oct. 30th is our Annual Fall Festival from 10-11:00am join us for fun carnival games, apple bobbing and costumes (no scary costumes, please). Come out by 9:00am to help set up the booths. Help is always welcome on carnival day. Volunteers are needed to help run the booths and help each child participate. You might even get to sneak some candy for yourself.

This month we welcome Austin to the Toddler room. He is a busy boy and part of twins. Joining the 2 year old class is Ryu, another happy, active boy. Miss Savannah also

moved up to the big 2 year old class. We are staying full and have several kids waiting in the wings.

Anniversaries

Miss Toronda, our Pre-school class teacher has hit the 2 year mark. I feel like she has been a part of our family for longer. She is such a great teacher and has such a loving spirit. We are glad to have her as part of our team.

October Lesson Plans

The cooler weather is just in time for our fall themes. The 1st week we look at the colors of "Fall Leaves." Next the children will learn about "What's in the Forest." Then we will bring in a "Harvest & Pumpkins" and learn about all the food grown on the farm. Last we will dress up in fun costumes and tell the students "Let's Pretend." If you have old costumes to donate it would be great!

Fundraiser

Our long time friends of DLC, Susan and Ron Masucci, have set up an art exhibit at R. Roberts Gallery in Avondale. There will be art, historic photos and book signing from Oct. 10th-30th. Come check it out! Part of the proceeds will benefit DLC Nurse & Learn.

Have an Awesome Autumn,
Amy Buggle
