**January News 2010**

Happy New Year to all and I pray God's blessings on all of the DLC family (our staff, students and supporters). We also pray that 2010 brings new support so that DLC can help more families than ever. Tell everyone you can about DLC and the amazing kids we serve.

One example of the love one family has for us is the Coy Trawick family. Coy was an active board member for years through Mandarin United Methodist Church and the Mustang Club. We sadly lost Coy this year to cancer but his family asked for donations to DLC in leu of flowers. They raised \$1,515 enough to allow us to buy hot water heaters for each classroom, with installation donated by Metro Rooter. Now Coy continues to love our children by warming each little hand everyday.

Another example is one of our past DLC families. Their daughter Caitlyn came to DLC very ill with a bad heart, a trach, g-tube and on oxygen. No one knew if Caitlyn would make it back then. Caitlyn is now a thriving 5 year old and according to mom doing normal 5 year old things, attending a typical 5 year old kindergarten class. Even though Caitlyn graduated last year from our program they are still sending regular updates and donations to help new students. DLC is so blessed by so many.

## **January Lesson Plans**

Our 1st week back our lessons will be about "Winter Chill". The weather is really cooperating with this lesson plan. Next we will teach all about Nursery Rhymes because "We Love Mother Goose". The 3rd and 4th weeks the kids will get moving with a transportation theme. First will be "Trains, Trucks & Cars" and then we'll take them to "Water & Air Travel".

We will be closed for Martin Luther King Jr.'s birthday on Monday, January 18th.

## **Anniversaries**

Aixa Atherton is celebrating her 1st year at DLC this month. She is just completing her child Development Associate training and has been such a blessing to us. Our favorite nurse, Miss Mina, started with DLC in 1995 and with a slight 2 year break has a total of 13 years with DLC. She also is the director of our 2nd location, DLC Therapy & Care. We love you Mina!

If you haven't been to DLC lately, come by and see all the wonderful work our teachers and staff are doing & all the little miracles in each classroom. Have a great year in 2010.

Stay Warm
